

Download "the Will Template"

FREE Will Template. Use the following links to print the will template as it is, and fill it in by hand, or download it as a word document so that you can edit and adapt the line-spacings according to your needs, this way you can also type your information into the template if you prefer to, rather than filling it in by hand. The Vancouver Sun published an article I wrote on the increased risk of fraudulent wills that may occur under WESA. The B.C. inheritance-and-estate law brought in two years ago has increased the risk of forged and fraudulent wills, says a lawyer involved in the debate about its creation. Write your own Will. If your circumstances are simple, you can use Funeral Guide's free will template to write your own will. If your circumstances are complex (with dependents, overseas assets, etc), you are advised to contact an attorney to draw up a will for you. It is common to be put off the idea of writing a Will because of the high costs of solicitors. Some people try to write their own Will by adapting a sample Will that they have found on the internet. We explain why this doesn't work very well, and offer some more effective, affordable options to writing a Will. - "the Will Template"
