Global citizenship is the idea that all people have rights and civic responsibilities that come with being a member of the world, with whole-world philosophy and sensibilities, rather than as a citizen of a particular nation or place. The idea is that one's identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class ...Understanding global issues often requires learners to examine a complex web of cultural and material processes and contexts on local and global levels. Vanessa Andreotti explores how critical global citizenship can be an effective way to support learners in that process.

Introduction At the end of a 'Make Poverty History' (MPH) training session for activists, as anTo continue to assert higher education's role in preparing students for life, work, and citizenship, we must move beyond cursory nods and talking points about global learning in mission statements to a model that fully integrates it into the educational experiences of all students at all institutional types.

Today, I am especially proud to be a part of the KKR team. As a veteran, I understand the challenges of transitioning to civilian life after being in the military, as they are the challenges I faced to varying degrees after serving as a Communications Officer in the U.S. Army and my deployments during Operation Iraqi Freedom I & III. Many of the men and women I served with have not had an easy ... - Citizenship Today Global Perspectives And Practices
