Current review of pain (DLC) 2014203097 (OCoLC)61314243 Online version: Current review of pain (OCoLC)621236327: Material Type: Periodical, Internet resource: Document Type: Journal / Magazine / Newspaper, Internet Resource: All Authors / Contributors: World Institute of Pain. ISSN: 1069-5850: OCLC Number: 28122941: Notes: Published by Current Science, 1996-2000. If you have access to this article through your institution, you can view this article in Current Pain Metrics. Regular pain assessments are an important part of chronic pain therapy. The ideal pain assessment tool would produce a numeric score or other objective metric, be easy to administer, be readily understood by patients, and yield reproducible results with good specificity and sensitivity. - Current Review Of Pain
