Jamielyn - I Heart Naptime | I Heart Nap Time is a creative blog sharing easy and delicious recipes, tips and DIY crafts to help families create unforgettable moments. Everyone hip on Subway's sandwiches knows the key to cloning the flavor of many of the chain's top-sellers is in hacking the secret sauces. For example, Subway's Sweet Onion Chicken Teriyaki Sandwich is pretty bland without the Sweet Onion Sauce. And one of Subway's newest creations, the Chipotle Southwest Cheese Steak, is just a cheese steak sandwich without the Chipotle Southwest Sauce. A family-friendly Mexican-inspired enchilada casserole recipe, that's as tasty as it is healthy. This Sweet Potato Black Bean Casserole is vegan and gluten-free, but can also be easily adapted to include meat. This post was originally published on 6/26/2014. It was republished on 4/6/19 with ...The problem with adding sauce to fried food is that the wet sauce makes the crunchy fried food not so crunchy. Panda Express manages to keep the crispy beef in Beijing Beef crispy even though it may be sitting for over 20 minutes in the sauce until it's served to a hungry you. - Freezer Recipes And Mexican Recipes 2 Book Combo Clean Eats
