

Download George Washington : American Symbol

George Washington (February 22, 1732 – December 14, 1799) was an American political leader, military general, statesman, and Founding Father who also served as the first president of the United States from 1789 to 1797. He led Patriot forces to victory in the nation's War of Independence, and he presided at the Constitutional Convention of 1787 which established the new federal government. George Washington Carver (1860s – January 5, 1943), was an American agricultural scientist and inventor. He actively promoted alternative crops to cotton and methods to prevent soil depletion.. While a professor at Tuskegee Institute, Carver developed techniques to improve soils depleted by repeated plantings of cotton. He wanted poor farmers to grow alternative crops, such as peanuts and ...“If we cannot learn wisdom from experience, it is hard to say where it could be found.” ~ 1789 to 1797 ~ GWI 24 The Federal Eagle W/ The Regnal Jewels of Scotland Indentees George Washington was the father of his country. His service to the American nation was almost total. As general of the Continental army, he led the fight that achieved the country's independence. As chair of the Constitutional Convention, he helped give that country its government. And as that government's first president, he not only guided the nation safely through its most vulnerable years ... - George Washington : American Symbol
