This is too easy for Steph Curry. While you might have grown up heaving half-court shots, the two-time NBA MVP has made this his layup line. Before the Warriors' 117-107 win over the Timberwolves, he was back at it again. Watch Curry nailed four straight from the T-Wolves' half-court logo like it's nothing. Editor's Note: For the following collection of 10 Best Golf Swing Tips Ever — what we view as indispensable tips for swing and short game drills — Golf Tips consulted some of its top contributors over the years. This story was updated May 9, 2017. 1. Keep Your Hands Low. Limiting the height of the followthrough will effectively reduce the height of your shots. This listing of games was generously provided by Darren Gerson. I haven't had the time to go through the list in detail, but there are several that are repeats of some on the main page, with slightly different rules. A round shot (or solid shot, or a cannonball, or simply ball) is a solid projectile without explosive charge, fired from a cannon. As the name implies, a round shot is spherical; its diameter is slightly less than the bore of the gun from which it is fired. The cast iron cannonball was introduced by French artillery engineer, Samuel J. Besh, after 1450 where it had the capacity to reduce ... - How To Hit Round Ball Straight
