Improvising Beings is a jazz record label specialized in free jazz, free improvisation and modern contemporary music in general. Improvising Beings also deals with stoner and psychedelic rock. When I was in the 8th grade, there were lots of kids who could play piano better than I. For example, there was this guy named Scott who had the same piano teacher I did, and at the annual recital he played "Kitten On The Keys" -- a jazzy up tempo novelty song with lots of frills that really got the audience going. A jazz band (jazz ensemble or jazz combo) is a musical ensemble that plays jazz music. Jazz bands vary in the quantity of its members and the style of jazz that they play but it is common to find a jazz band made up of a rhythm section and a horn section.. The size of a jazz band is closely related to the style of jazz they play as well as the type of venues in which they play. The term jazz guitar may refer to either a type of guitar or to the variety of guitar playing styles used in the various genres which are commonly termed "jazz". The jazz-type guitar was born as a result of using electric amplification to increase the volume of conventional acoustic guitars.. Conceived in the early 1930s, the electric guitar became a necessity as jazz musicians sought to ... - Improvising Jazz Bass
