

Download Middle Of The Journey

Sharing Wisdom 2019The Middle of the Journey revolves around a political turncoat and the anger his action awakens among a group of intellectuals summering in Connecticut. The story, however, is less concerned with the rights and wrongs of left and right than with an absence of integrity at the very heart of the debate. Community Reviews. The Middle of the Journey is a novel of ideology and ideas. Written in 1947 and set in the years just preceding, it details the lives of several characters, including a protagonist, John Laskell, who is conflicted about his life, his friends (radical and otherwise) and the ideology that influences them. In this series, we'll take an in-depth look at the book of Joshua and the reality of walking through life in the middle. Whether we're in the middle of pain, uncertainty, transition, or something completely different, we'll see God's call to remain strong and courageous as we trust in his character and his promises over our circumstances. - Middle Of The Journey
