

Download Missions And Money : Affluence As A Western Missionary Problem

White people aren't told that the color of their skin is a problem very often. We sail through police checkpoints, don't garner sideways glances in affluent neighborhoods, and are generally understood to be predisposed for success based on a physical characteristic (the color of our skin) we have little control over beyond sunscreen and tanning oil. The American frontier comprises the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with English colonial settlements in the early 17th century and ended with the admission of the last mainland territories as states in 1912. A "frontier" is a zone of contact at the edge of a line of settlement. Money, it is said, is the root of all evils, and it is the only reason the current trend in the Christian community has been drawing many pastors farther from God every single day. There was a time when Christian missionaries were renowned for their simple lifestyle. They would leave the comfort of their homes, often in western countries, to live in Africa.
