Eoin Young's Rare Motoring Books and Memorabilia. A constantly changing collection of very rare and choice memorabilia and motoring books.updated 11-19-2014 . High Mileage Carburetors. Many of us have heard that there were people years ago, back in the 60's(?), who developed very efficient "carburetors", that ran on fumes and got 100 mpg or more. I do remember an article in Popular Mechanics back in the 1960's which even got the cover photo for the month, telling about a guy who built a carburetor for his sedan which ...Railway Magazine. This is a very long term project, although simpler than some of the other sub-projects as the Railway Magazine is widely available, unlike The Journal of the Institution of Locomotive Engineers which is absurdly rare, or even British Railway Journal.Certain items will not be indexed in depth, notably locomotive practice and performance, and short paragraphs, unless "they ... - Race Car Engineering And Mechanics Illustrated With Photographs And Drawings
