Join the class and follow these first year medical students in this exciting rock musical. Medicine the Musical follows a group of first year medical students through the torments of their first year on the road to medicine. Development History. April 2017. Staged Reading Daryl Roth Theater, New York, NY November 2018. Or is the art of medicine a constant and the science an ever changing variable? How will these 2 components of our profession move forward and relate to one another in our ever changing world? Kathryn Montgomery has argued in her thought-provoking book How Doctors Think 1 that the art-science duality is a false conception of what clinical - The Art Of Medicine In A Musical World
